

1876 KING ALFONSO XII ISSUE

12 1/2 c. green bisect on circular

Circular franked by a 12 1/2 céntimos de peseta bisected stamp. The circular is dated at Habana 22 April 1876 and is addressed within the city. The use of the bisected 12 1/2 c. de pta. stamp seems to be genuine, but it is unknown why the circular was charged half the 12 1/2 c. de pta. postage rate charged other intra-city circulars of the period.

CUBA

1876 KING ALFONSO XII ISSUE

12½ c. green

12½ c. green stamp paying the rate for a circular posted within the city of Nuevitas. Single stamps show typical cancellations on this value of the 1876 stamp issue.
