

CUBA

1877 KING ALFONSO XII ISSUE

12 1/2 c. gray bisect

Circular addressed within the city of Havana and franked with a bisected 12 1/2 céntimos de peseta stamp. The resulting 6 1/2 c. rate is unexplained because the rate for a circular at the time was 12 1/2 c. which should have been paid with a complete stamp.

CUBA

1877 KING ALFONSO XII ISSUE

12 1/2 c. gray on circular

Circular franked with a 12 1/2 céntimos de peseta gray stamp to pay the postage rate for mailing a circular. The circular is dated at Habana 30 May 1877 and is addressed within the city.
