

CUBA

1883-88 KING ALFONSO XII ISSUE

10 c. brown, 1st retouch

10 c. brown, 1st retouch, tied to folded letter of 5 July 1887 by partial black oval cancellation "DESPUES DE LA SALIDA" indicating that the letter was received for posting after the mail sack had already been delivered to the ship taking the mail to Spain, and thus the letter would be delayed. The magenta straightline handstamp indicates that the letter travelled via the steamer "Isla de Cebú". The blue oval handstamp on the bottom left corner is from the sender, J. Rafecas & Co.
