This is ex-Tyler lot 3005 and later sold at a Nov 1970 Robert Siegel sale as lot 1082. VVLs match the genuine, but on a closer look the letters in HABILITADO don't match the genuine. It is also odd that if it were genuine, it would be offered for sale at eBay with a starting price of \$6.01. If I were the buyer, I would send it to be certified.
