## HENRY G. BROCK COLLECTION

Lot  
No.

CUBA

Catalog  
No. Value

Puerto Principe. 1898-99

A magnificent collection of standard rarities, the finest offered since the sale of the celebrated Trufin collection just five years ago. The feature of this collection is its rich content of mint stamps. All stamps have been expertized and their printings and positions carefully checked. These details are given in addition to Scott's catalogue numbers. Estimated values are neither catalogue prices nor reserves, but are based on actual cost. These should guide prospective bidders in formulating their bids. On account of the importance of this collection every lot is illustrated, thus the catalogue serves as a reference work and also as a memorial to Henry G. Brock, a great philatelist.
