PUERTO PRINCIPE ISSUES

This collection of Puerto Principe Issues, is, without question, the largest holding ever amassed and has been obtained from such famous collections as the Ferrari, Trufin, Clapp, Andreini, Brook, Curie, and others.

Mr. Tows has been recognized as the outstanding authority on these stamps for many years, and his guarantee accompanies each stamp in this group.

Whatever estimates are given, these are not catalogue values, but based on actual cost to the owner, which will aid prospective bidders as a guide.
