Los lotes serán adjudicados al mayor postor al nivel siguiente de la segunda oferta más alta recibida. En caso de empate, la primera oferta recibida ganará. El comprador pagará un 10% sobre los lotes comprados más gastos de franqueo y seguro.

No se admitirán devoluciones de lotes o sellos que aparecen fotografiados, pues fácilmente se puede ver (a) el centrado del sello, (b) si el dentado está completo, y (c) la condición o aspecto exterior del sello.

Si, por cualquier razón no establecida anteriormente, desea devolver un lote, por favor envíelo antes que pasen siete días a la persona a cargo de la subasta, a la dirección arriba indicada.

Las subastas que se realizan a través de esta Revista y que, como usted saben, han tenido mucha éxito no son hechas por profesionales o expertos subastadores, sino por socios entusiastas y conocedores del material, que con mucho gusto trabajan para ustedes.

Lots will be sold to the highest bidder at one bidding increment over the second highest bid received. In case of tied bids, the first bid received will get the lot. A 10% commission plus postage and insurance will be charged to buyer.

No returns will be permitted on lots that are photographed, because anyone can see (a) stamp centering, (b) whether the perforations are in good condition, and (c) condition or front view of the stamp.

If, for any reasons not stated above, you need to return a lot, please do so within seven days to the person in charge of the auction, at the address indicated above.

Auctions conducted through this magazine, which, as you know, have been very successful, are not prepared by professional or expert auctioneers, but by members of our Society who are very enthusiastic and knowledgeable of the material and are pleased to work for you in this capacity.
